Mr. Ronka –

Hope you are well. We are counsel for Bungie, Inc. and Ubisoft Entertainment in the above referenced lawsuit. Neil Schwartzman at Unit 221B gave me your name and recommended that I contact you concerning this matter.

We are attempting to determine the status of a subpoena we served on NameSilo last December. The subpoena is attached. To date, we have not received a response to the subpoena, though the response date was January 10 (two weeks ago). The subpoena seeks information concerning a website engaged in the sale and distribution of unlawful software that allows users to cheat in our clients' video games.

If you could provide us with a status update, we would appreciate it.

Thank you very much. Please let me know if you have any questions or if we can provide any additional information.
